According to the sales data, sales exceeded expense by about \$44,000.00; however we are experiencing a great deal of difficulty in collections so the actual cash collected is down. The town Tax Collector has done an evaluation on what he feels is a fair market value of the property we have and what we currently pay in lieu of taxes to the town.

There was some discussion held on the topic but no decision was reached with regard to additional payments.

Manager Herriott said that he had prepared a letter to be emailed to the out of town departments and other larger customers informing them of the pending increase in rates in July. The letter will be emailed out and a follow up will be necessary. Manager Herriott said that the one cent increase in the worst case scenario and every effort would be made to keep the cost down.

He went on to say that he hoped at next Friday's meeting that these things would be resolved and the first round of paper work would be completed.

The Manager said he had received a letter from Sheryl Hulechi on Pillsbury Road in Ashburnham telling us that she lived in Ashburnham and she was served by Unitil. She felt that since she lived in town she should be served by Ashburnham Municipal Light. Manager Herriott said that he wrote a letter to Unitil asking for their opinion on this switch. Their response was that they had no problem and Manager Herriott should work

out any switch with the local Manager. Manager Herriott said that he would pursue it in the spring.
